

November 8, 2020

Good evening Charger Families,

This is Melissa Baird, Principal of Inverness Middle School, with another edition of our *Weekly News Flash!*

Our Chargers took home several County Championship titles! Congratulations to our Charger Football Team for winning the County Championship game against Citrus Springs Middle School. Also, Boys Cross Country took home the County Championship title, and Girls Cross Country placed second. Last but not least, Boys Golf won the County Championship and girls placed second.

This week we have 6th grade health screenings on Monday and Tuesday, and our Virtual Scholastic Book Fair begins on Monday and will conclude on November 22nd. Tuesday we will acknowledge our honor roll students during all lunches and they will receive a certificate and a special treat! School is closed on Wednesday in observance of Veteran's Day, and there will be an FFA Club meeting on Thursday from 2:30pm-4:30pm in Mr. Steffer's room.

Last week we kicked off our IMS Title 1 Curriculum & Parent Involvement Night. This event is virtual via our school website and it is still available through December 2nd. Thank you to our families who participated, and we encourage those who have not yet tuned-in to our "[Charger Network](#)" to do so. Students who return the [Student/Parent Survey](#) will receive a coupon for a free large pizza from Papa John's.

Finally, just a few reminders for our families. Our [November Newsletter](#) is available on our website. School pictures are scheduled for December 1, and this is for both our brick-and-mortar and Citrus Virtual students. Families must complete and return the "[Opt-In](#)" letter in order to participate in picture day. Our next SAC meeting is Monday, November 16th. Please make sure that your student brings a refillable water bottle to school every day, follow the correct procedures for student drop-off and pick-up so that we can keep our Chargers safe while keeping the line running smoothly. Also, if your child is sick please keep them at home. If you have had them tested for COVID-19, they must remain at home until you have the test results. We must all do our part to ensure a safe and healthy environment for our students and staff.

Have a spectacular week and stay tuned for your next *Weekly News Flash* on Sunday, November 15th!

Thank you,
Mrs. Baird
