Our Charger Challenge continues, and I am proud to share that Mrs. Hindley's 7th period class won the challenge last week! Teachers will continue to nominate one, or more, of their classes who demonstrate positive behavior, good grades, respect, and responsibility. One class will be recognized and rewarded every Friday for winning the Charger Challenge! Also, congratulations to our Charger Spotlight winner- Mrs. Gulker! Don't forget that we will continue to recognize one of our teachers or support staff members in our Charger Spotlight! If you would like to nominate a teacher or support staff member for the positive impact they are making in your child's life at IMS, please send me an email with your nomination!
