

April 4, 2021

Good evening Charger Families and Happy Easter,

This is Melissa Baird, Principal of Inverness Middle School, with another edition of our *Weekly News Flash*!

I hope that everyone had a safe and restful spring break! School does resume for both students and staff beginning tomorrow, Monday, April 5<sup>th</sup>. Also, I'd like to extend a special congratulations to Mr. Steffer and our FFA students who participated in the Citrus County Fair over spring break! We had wonderful results in all of the competitions and I know that does not come without the diligent and consistent efforts of students, staff, and parents.

Our students have spent time practicing for the upcoming FSA Writing Assessment. Sixth grade students with accommodations will begin taking the FSA Writing Assessment on April 6<sup>th</sup>. Seventh grade students with accommodations will begin on April 7<sup>th</sup>, and eighth grade students with accommodations will begin on April 8<sup>th</sup>. Sixth grade students take a paper-based assessment, and seventh and eighth grade students will take a computer-based assessment. If you have any questions regarding testing, please contact Michelle Josey at [JoseyM@citruschools.org](mailto:JoseyM@citruschools.org). We will continue to communicate specific testing information via School Messenger, and you can find updated testing information on our website.

We are looking forward to a fantastic week, and stay tuned for your next *Weekly News Flash* on Sunday, April 11<sup>th</sup>!

Thank you,  
Mrs. Baird
